

Red Raven Summer Program

Welcome to the 2026 Red Raven Summer program. This summer, our goal is to keep the kids busy and involved in different activities.

Summer Hours – 7:30 A.M. – 5:30 P.M.

Summer Rates - \$150/week

- The summer rate includes admittance to extra activities, *except Big Blue Water Park.*
- **Big Blue Water Park – (Pool)** 12:30-2:30
- School agers (entering K-5) will be able to go to the pool at least three times a week. We will do our best to have the preschoolers (3 & 4 year-olds) go on Wednesdays; however, everything is subject to change due to staffing.
- **Children unable to swim must have a life jacket or a puddle jumper.** A lifeguard is on staff and will be able to work with you on any questions about your child's swimming ability.
- Towels and swimsuits should be labeled and brought in a separate bag.
- Parents will be responsible for paying the admittance fee for the Big Blue Water Park. If your family has a pass, that will work as well. Contact the pool to purchase.
 - Pool daily rate
 - 3 years or younger – Free
 - 4 years and older - \$6/day
 - Youth Pool pass - \$80
 - Family Pool pass - \$180
- We will provide generic sunscreen. If something more is needed, please send it with the child's name on it.
- Please let the daycare know your child's swimming abilities

Lunch is at 11:30

Every Wednesday, kids are required to bring a sack lunch.

Water bottles are required and need to be clearly labeled with the child's name.

Field Trip Permission Slips must be signed for each activity.

Daycare employees will transport kids using the daycare van and approved employee vehicles.

Car seats need to be provided by parents for children who are in first grade or younger.

May

Pool - 12:30-2:30
Lunch - 11:30
